Our present location on Beale Street, formerly the Gallina Building, is over 100 years old and has more recorded history than any other building on Beale Street. It was a saloon that ran all day and night with as many as 14 bartenders. In addition to the bar and restaurant, there was a poker room and a racehorse betting room. There were hotel rooms that were especially favored by members of the theatrical and sporting world that visited Memphis. So please make a toast to the visitors of the past who once partied where you are now seated.

On our spacious patio, the Walk of Fame includes hand prints and signatures of such greats as Bob Hope, Ella Fitzgerald, Carl Perkins, Johnny Cash, Merle Haggard, Donny Osmond, Danny Thomas and other stars. While on the patio be sure to visit our Irish goats, a mainstay on Beale Street.

A documented piece of the Blarney Stone from Blarney Castle, Ireland, is embedded in the south wall of the bar. Before you leave, join the millions who have kissed the Blarney Stone for good luck!

At Silky O'Sullivan's there is truly something for everybody. Silky O'Sullivan's features first class entertainment all year round. Our rollicking sing-a-long piano show will have you partying until the wee hours nightly. Be sure not to miss Memphis' best blues and rock bands performing weekends on our patio when the weather is ripe for dancing under the stars.
